## GEORGE MOGRIDGE SHINES IN FINAL GAME AGAINST TY COBB'S DETROITERS

By H. G. SALSINGER.

DETROIT, Aug. 26.—That was a great job of pitching that George Mogridge flashed on Detroit yesterday afternoon. The Tigers, more than any club in the league, have respect for Mogridge's pitching ability. They will tell you he is the smartest in the league, and then Mogridge steps out ever so often, pitches against them and shows they are right in everything they say about him.

He pitched a slow game yesterday, but a smart game. When he opposes Detroit, outsmarting the Tiger batsmen is something that Mogridge "does nothing else but." He was ahead of them mentally right through, whenever he had to be, and the fact that his support was not exactly tight and that Detroit got men on bases three times through errors and twice through bad judgment of fielders, made no difference to him. He just kept giving the Detroit batsmen the kind of balls they did not expect to see come up and he shot them across where they never expected them to appear.

### Pitcher Would Buy Fluid to Throw Spitball

Down in Virginia there is a young ball player who is determined to be perfect in his game. He had seen in an authentic publication a reference to the use of the spitball.

"I see, in telling how to pitch," he writes, "that the spitball is by the use of saliva. Can you tell me where I can buy saliva? If you have it let me know, and the price." There is nothing to be added.

grounders by Flagstead, who took his place as shortstop for Detroit. Mogridge pulled a peculiar play in the seventh. Detroit had two on first, George whipped to Shanks, nailing the runner at third by an eyelash.

## BOBBY JONES HAS POINT LEAD AT CLEVELAND

George Sargent Plays Emmett French, Who Is Present Runner-up.

OAKWOOD COUNTRY CLUB, Cleveland, Aug. 26.—With Bobby Jones, Atlanta amateur, leading by one point and thought to be in a fair way to win his first championship, the final day's play in the Western open golf championship tournament opened this morning.

The leaders will tee off at half-hour intervals, beginning at 9 o'clock. Robert Peebles, of Peoria, Ill., who is third behind Jones and Emmett French, Youngstown professional, is paired with Joe Kirkwood, of Australia; Emmet French is paired with George Sargent, of Columbus; R. T. Jones, Atlanta, is paired with R. S. Simpson, Colorado; J. M. Barnes, national champion, with Bob McDonald, Chicago, and Walter Hagen, of Detroit, with Jock Hutchison, present title holder and British open champion.

## Mlle. Lenglen IS AGAIN VICTIM OF INDISPOSITIO

Suffers Relapse of Recent Nervousness and Digestive Troubles.

NEW YORK, Aug. 26.—Suzanne Lenglen, the French tennis champion, who has been indisposed since her defeat by Mrs. Molla Bjurstedt Mallory in the women's national tennis championship tournament almost two weeks ago, has suffered a relapse.

A doctor was hurriedly summoned to her apartment in the Forest Hills Inn, and found that the combined attack of bronchitis and nervousness she has been suffering for the last ten days had produced a feverish state. Mlle. Lenglen subsequently had several hours' sleep, and left her rooms for a walk.

A. R. de Joannis, vice president of the French Federation, who is acting as Mlle. Lenglen's manager, said that the French girl was also suffering from a sustained attack of indigestion and nausea, and that she has eaten very little in the last few days.

Her condition, he said, is so changeable that absolutely no progress has been made with her playing plans, and that, as the result of the last attack, Mlle. Lenglen would not go to Longwood to play mixed doubles next week. He expressed the opinion that the French girl needs a change of atmosphere, and that he hoped to persuade her to leave the scene of her defeat by Mrs. Mallory and go to the mountains for several days, get herself in shape and then resume her tennis campaign.

### BABE RUTH HITS SAFELY IN 26 CONSECUTIVE GAMES

Babe Ruth continues his wonderful batting streak. By getting two hits off Allen Sotheron in yesterday's disaster at Cleveland, the Sultan of Swat has made a record by hitting safely in the major leagues this season.

The best previous mark was made by Goldie Rapp, formerly of the Giants, who, after being traded to the Philadelphia Athletics, carried him through twenty-four games before he was finally checked.

The best previous American League mark this year was made by Harry Heilmann, of the Detroit Tigers, who hit safely in twenty-three consecutive games. In accomplishing this feat, Ruth has been at bat eighty-nine times and has made forty-three hits, for an average of .480.

## EYES FIXED ON MISS KINNEY TO WIN GOLF TITLE

Miss Hadfield, of Milwaukee, Is Dark Horse Who May Make Trouble.

CHICAGO, Aug. 26.—Miss Jeannette Kinney, of Cleveland, and Mrs. Melvin Jones, of Chicago, loomed today as the likely winners in the semi-final round of the women's Western golf championship tournament at Westmoreland, with Miss Frances Hadfield, of Milwaukee, as the "dark horse."

Miss Kinney was paired with Mrs. J. W. Douglas, of the Westmoreland Club. Although Mrs. Douglas has won her way into the semi-finals by consistent playing, it is believed that the Cleveland star, barring a reversal of form, should win.

The match between Mrs. Jones and Miss Hadfield held chief interest. Mrs. Jones achieved the medal score in the qualifying round and has played brilliant golf throughout the tournament. Miss Hadfield also has displayed a wonderful game in the preliminary matches and is expected to give the Chicago star a battle royal.

### TAGGING ALL THE BASES

## CORRESPONDENTS' CRIMES ARE SHOWN TO NATION

By PENROSE LODGE GILLET.

(Sporting Editor of the Congressional Record.)

The light of pitiless publicity is thrown today upon what is learned upon authority, high in the consciousness of administration circles and whose veracity is unimpeachable, that yesterday, at a country club near the nation's capital, the greatest fraud in the history of sports was perpetrated under the guise of a golfing tournament. The country at large will learn with deepest regret that the chief executive with more than forty so-called newspaper men constituted the rink. Operatives of the Department of Justice are today gathering evidence which is expected to incriminate the master minds of the crime. From meager details, remarks picked up from automobiles and street cars returning to Georgetown, it is known that last night, the country is today acquainted with the undisguised facts.

### Would Be Third Man to Swim Channel

Harry Sullivan, an American, is now in England training to swim the English Channel. The feat has been accomplished by only two swimmers, Captain Webb and Tom Burgess. ### JAPS CONCEDED VICTORY IN LAST DAVIS CUP TIES

Need Only One More Win in Three Remaining Matches.

By JACK VEIOCK, International News Service.

NEWPORT, R. I., Aug. 26.—The little brown sons of Nippon, Ichiji Kumagae and Zensho Shimidzu, were well on the highway to victory in the finals of the Davis Cup ties when play was resumed here today against the Australian team, by virtue of its decisive victories in the initial singles matches, needs but one more win in three remaining matches to enter the challenge round against the defending American team at Forest Hills, starting September 2, and tennis devotees were agreed that "it was all over but the shouting."

### Ability Reflected.

The tournament was more a reflection on the veracity of the newspaper correspondents than their golfing ability.

H. H. Smith got 179, Lewis Wood got 163 and Lee Smith got 156, seven lead pencils being entirely consumed in tallying the cards.

A. W. Dunn got the Hecht Company golf bag prize for being runner-up. The President won Freddy McLeod's driver for being third. Dick Lee won McLeod's brassie and Bill Brigham won the Washington Country Club driver.

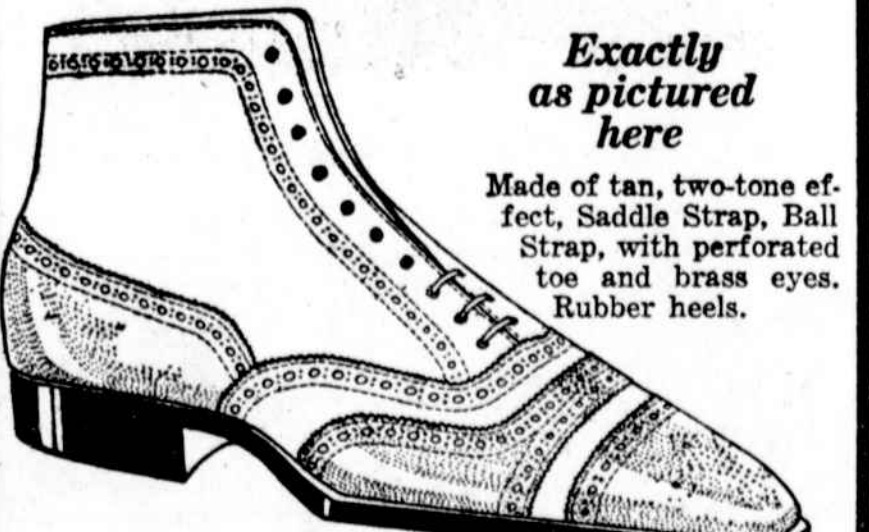

Bob Bender looked sheepish, but took the cup. He would have won it with less than half his handicap. As the President said he scored a "beat," more power to him. The betting is 100 to 1 that he will win nothing next year if the handicap committee holds over.

There will be a permanent organization. A good time was had by all.

Ordnance Ready. Ordnance baseball players, runners-up in the Interurban League, want games. L. O. Schmidt, room 3807 Munitions building, is manager.

Tourney Next Month. The Dumbarton Club is staging the District of Columbia tennis tournament which will be played on September 24.
